How to find a house:
 If the Index shows: F8-11
 F8 is the square made by
 F - horizontal grid
 8 - vertical grid
 11 - the house position within the square
 FP - indicates a footpath
 This map is not to scale but approx 1:4000 and a diagrammatic representation of the area. Please note that houses with only numbers (unnamed) are left blank.

Call your local Hall & Scott office for a free property valuation!
